HIGHLIGHTS OF THE IPEP

Objectives of professional Exchange PEP- 2019

- To give exposure to current trends in social work practices in India
- To acquaint them with issues and challenges of our developing economy.
- To provide Indian family Host Living experience.
- To promote International cultural understanding by sharing and learning from each another.
- To provide Exposure to diverse cultures.
- To provide exposure by way of Institutional Visits and Rural India exposure.

1. Orientation: On social work practices.

2. Agency Visits:

3. Agency Placements:

4. Presentations: The participants present their respective country socio – economic cultural trends.

5. Rural Camp: The stay at the project gives them an experience of rural life and rural development projects.

6. Cultural Exposure And Celebrations

7. Host Family Living:

8. Evaluation: This is an opportunity to recapitulate learning's, gain clarity and give feedback to improve programs.

9. Valedictory Function: A certificate is awarded to all the participants with social interaction with cif members

SOME THINGS TO KNOW

- ❖ The Participant takes care of travel cost, travel insurance, including third party liability.
- ❖ Participants focus a full time commitment during the program.
- ❖ All expenses before and after the Programme to be borne by the participant.
- ❖ CIF Exchange Programme is limited to observation and learning only, due to language barriers and cultural differences.
- ❖ Encourage participants to become a member of CIF in home branch.
